

TASK GROUPS

P1

Overall Summary

The VEU experience is made up of 3 - 6 'Task Groups' that each contain the individual interactions (detailed below). Groups usually number between 3 - 10 individual tasks, but for more extensive situation, the number can be increased. To do this, use additional copies of this template, making sure that 'Task Groups' and 'Individual Tasks' are correctly numbered and labeled.

Group Number: The sequential number of this Task Group. Please use the numbering convention below.

Group Name: The easy reference name of this Task Group. Please use the naming convention below.

Group Type: Select from the type descriptions below.

Group Goal: A summary of the intention behind completing this group of tasks

Individual Tasks

The 3 - 10 individual, connected actions and/or dialog options that make up this Task Group. Reminder: for more extensive situations the individual tasks can be increased. To do this, use additional copies of this template, making sure that 'Task Groups' and 'Individual Tasks' are correctly numbered and labeled.

NOTE: Continue to the next section to create your Individual Tasks.
